Dear Tom,

Back in August of 2014, I informed you that YWAM, (Youth With A Mission) International, says the only ministries that can be under YWAM are those that are only YWAM. Therefore we said that we can no longer be able to keep New Horizon Youth Ranch, (Boys Ranch), as an Adjunct ministry under YWAM Tribal Waves. The Regional Director said, "Those non-YWAM ministries need to be off as soon as possible. It has been one year, and five months since that information was given you.

Have you found another ministry to be under yet? I talked to you twice in 2015, about moving out from under YWAM Tribal Waves and you told me you were working on it and it was close to being done.

If you have not yet done this, we are giving you until February 15, 2016, to be moved out from under YWAM Tribal Waves as an Adjunct Ministry.
